TESTIMONIALS

SUCH A GREAT EXPERIENCE!

Thoroughly enjoyed ourselves and great for a big group. The staff were amazing, the food was and the games were just the icing on the cake - Everyone had a really great time!

BEEN TO THIS PUB MANY TIMES

in the last year. Great pub with an outdoor terrace at the back which is great during the summer months. There's also a separate stage room. Plenty of space. Food is good and staff are also very accommodating. Thumbs up from me.

THE FOUR THIEVES PUB IS A FANTASTIC SPOT

for an evening out with friends or a casual drink after work. The atmosphere is lively and welcoming, with friendly staff and a great selection of beers, wines, and cocktails. The pub also features a unique and fun activity room, which includes various games such as VR and arcade games. It's a great way to spend some time with friends and adds to the pub's overall appeal. The food at The Four Thieves is also excellent, with a variety of options to suit all tastes, including vegetarian and vegan options. The portions are generous, and the quality of the food is impressive, making it a great spot for a meal. Overall, The Four Thieves is a must-visit pub in London. It offers great drinks, delicious food, and a fun atmosphere that makes for a memorable night out.
